All references herein to specific provisions of the Plan or Confirmation Order are without exclusion or limitation of other applicable provisions of the Plan or Confirmation Order. Words denoting the singular number shall include the plural number and vice versa, and words denoting one gender shall include the other gender. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the provisions of this Agreement.

1.4 Construction of Agreement. This Agreement shall not be construed to impair or limit in any way the rights of any Person under the Plan.

1.5 Conflict Among Plan Documents. In the event of any inconsistency between the Plan, the Confirmation Order and this Agreement, the Confirmation Order shall control. In the event of an inconsistency between the Plan and this Agreement, this Agreement shall control.

ARTICLE II

ESTABLISHMENT OF TRUST

2.1 Effectiveness of Agreement; Name of Trust. This Agreement shall become effective on the Effective Date. The Trust shall be officially known as the “RTW Liquidation Trust.”

2.2 Purpose of Trust. The Debtors and the Trustee, pursuant to the Plan and in accordance with Bankruptcy Code, hereby create the Trust for the primary purpose of collecting, holding, administering, distributing and liquidating the Trust Assets for the benefit of the Beneficiaries in accordance with the terms and conditions of this Agreement and the Plan, and with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Trust.

2.3 Transfer of Trust Assets.

2.3.1 Conveyance of Trust Assets. Pursuant to the Plan, the Debtors hereby grant, release, assign, transfer, convey and deliver, on behalf of the Beneficiaries, the Debtors’ Assets to the Trust as of the Effective Date (including, for the avoidance of doubt, all Retained Causes of Action) in trust for the benefit of the Beneficiaries, which shall comprise Trust Assets for all purposes and shall be administered and applied as specified in this Agreement and the Plan. The Debtors shall, from time to time, as and when reasonably requested by the Trustee, execute and deliver or cause to be executed and delivered all such documents (in recordable form where necessary or appropriate) and the Debtors shall take or cause to be taken such further action as the Trustee may reasonably deem necessary or appropriate, to vest or perfect in the Trust or confirm to the Trustee title to and possession of the Trust Assets. The Trustee shall have no duty to arrange for any of the transfers contemplated under this Agreement or by the

Plan or to ensure their compliance with the terms of the Plan and the Confirmation Order, and shall be conclusively entitled to rely on the legality and validity of such transfers.

2.3.2 Title to Trust Assets. Pursuant to the Plan, all of the Debtors' right, title and interest in and to the Debtors' Assets, including all such assets held or controlled by third parties, are automatically vested in the Trust on the Effective Date and shall comprise Trust Assets for all purposes, free and clear of all Liens, Claims, encumbrances, Interests, contractually imposed restrictions, and other interests, except as specifically provided in the Plan, and such transfer is on behalf of the Beneficiaries to establish the Trust. The Trust shall be authorized to obtain possession or control of, liquidate, and collect all of the Trust Assets in the possession or control of third parties, pursue all Retained Causes of Action, whether arising before or after the Petition Date, and pursue, assert and/or exercise all rights of setoffs and recoupment and defenses of the Debtors or their Estates to any counterclaims that may be asserted by any and all defendants as to any Retained Causes of Action or holders of Disputed Claims. Without limiting the generality of the foregoing, the Trust shall have the right to invoke section 542 of the Bankruptcy Code to pursue turnover of Trust Assets. On the Effective Date, the Trust shall be substituted for the Debtors for all purposes with respect to the Trust Assets and administration of Claims and Interests. To the extent any law or regulation prohibits the transfer of ownership of any of the Trust Assets from the Debtors to the Trust and such law is not superseded by the Bankruptcy Code, the Trust's interest shall be a lien upon and security interest in such Trust Assets, in trust, nevertheless, for the sole use and purposes set forth in section 2.2, and this Agreement shall be deemed a security agreement granting such interest thereon without need to file financing statements or mortgages. By executing this Agreement, the Trustee on behalf of

the Trust hereby accepts all of such property as Trust Assets, to be held in trust for the Beneficiaries, subject to the terms of this Agreement and the Plan.

2.4 Capacity of Trust. Notwithstanding any state or federal law to the contrary or anything herein, the Trust shall itself have the capacity, in its own right and name, to act or refrain from acting, including the capacity to sue and be sued and to enter into contracts. The Trust may alone be the named movant, respondent, party plaintiff or defendant, or the like in all adversary proceedings, contested matters, and other state or federal proceedings brought by or against it, and may settle and compromise all such matters in its own name.

2.5 Cooperation of Debtors. The Debtors and their professionals shall use commercially reasonable efforts to cooperate with the Trust and Trustee and their professionals in effecting the transition from the Debtors to the Trust of administration of the Trust Assets and of creditors' Claims. Such cooperation shall include, but not be limited to, reasonably attempting to identify and facilitate access to (i) any evidence and information the Trustee reasonably requests in connection with the Trust's investigation, prosecution or other pursuit, or defense (as applicable) of Retained Causes of Action and objections to Disputed Claims; and (ii) former employees or Professionals of the Debtors with knowledge regarding any Retained Causes of Action. The Debtors shall arrange for the Trustee to receive an updated claims register from the Notice and Claims Agent within thirty (30) days after the Effective Date.

2.6 No Retention of Excess Cash. Notwithstanding anything in this Agreement to the contrary, under no circumstances shall the Trust or Trustee retain cash or cash equivalents in excess of a reasonable amount to meet Claims, expenses, and contingent liabilities or to maintain the value of the Trust Assets during liquidation other than reserves established pursuant to sections 3 and/or 4.1.2 of this Agreement, and shall distribute all amounts not required to be

retained for such purposes to the Beneficiaries as promptly as reasonably practicable in accordance with the Plan and this Agreement.

2.7 Acceptance by Trustee. The Trustee accepts its appointment as Liquidation Trustee of the Trust.

ARTICLE III

ADMINISTRATION OF TRUST

3.1 Rights, Powers, and Privileges of Trustee Generally. Except as otherwise provided in this Agreement, the Plan, or the Confirmation Order, as of the date that the Debtors' Assets are transferred to the Trust and become Trust Assets, the Trustee on behalf of the Trust may control and exercise authority over the Trust Assets, over the acquisition, management and disposition thereof, and over the management and conduct of the affairs of the Trust. In administering the Trust Assets, the Trustee shall endeavor not to unduly prolong the Trust's duration, with due regard that undue haste in the administration of the Trust Assets may fail to maximize value for the benefit of the Beneficiaries and otherwise be imprudent and not in the best interests of the Beneficiaries.

3.1.1 Power to Contract. In furtherance of the purpose of the Trust, and except as otherwise specifically restricted in the Plan, Confirmation Order, or this Agreement, the Trustee shall have the right and power on behalf of the Trust, and also may cause the Trust, to enter into any covenants or agreements binding the Trust, and to execute, acknowledge and deliver any and all instruments that are necessary or deemed by the Trustee to be consistent with and advisable in furthering the purpose of the Trust.

3.1.2 Ultimate Right to Act Based on Advice of Counsel or Other Professionals. Nothing in this Agreement shall be deemed to prevent the Trustee from taking or refraining to

take any action on behalf of the Trust that, based upon the advice of counsel or other professionals, the Trustee determines it is obligated to take or to refrain from taking in the performance of any duty that the Trustee may owe the Beneficiaries or any other Person under the Plan, Confirmation Order, or this Agreement.

3.2 Powers of Trustee. Without limiting the generality of the above section 3.1, in addition to the powers granted in the Plan, the Trustee shall have the power to take the following actions on behalf of the Trust and any powers reasonably incidental thereto that the Trustee, in its reasonable discretion, deems necessary or appropriate to fulfill the purpose of the Trust, unless otherwise specifically limited or restricted by the Plan or this Agreement:

3.2.1 hold legal title to the Trust Assets and to any and all rights of the Debtors and the Beneficiaries in or arising from the Trust Assets;

3.2.2 receive, maintain, conserve, supervise, prosecute, collect, settle, manage, adjust, invest, protect, enforce and where appropriate, cause the Trust to abandon the Trust Assets, including causing the Trust to invest any moneys held as Trust Assets in accordance with the terms of section 3.7 hereof;

3.2.3 open and maintain bank accounts on behalf of or in the name of the Trust;

3.2.4 cause the Trust to enter into any agreement or execute any document or instrument required by or consistent with the Plan, the Confirmation Order or this Agreement, and to perform all obligations thereunder;

3.2.5 collect and liquidate all Trust Assets, including the sale of any Trust Assets;

3.2.6 protect and enforce the rights to the Trust Assets (including any Retained Causes of Action) vested in the Trust and Trustee by this Agreement by any method deemed appropriate, including, without limitation, by judicial proceedings or otherwise;

3.2.7 investigate any Trust Assets including, but not limited to, Retained Causes of Action, review, reconcile, compromise, settle, or object to Claims of any kind, and cause the Trust to seek the examination of any Person pursuant to Federal Rule of Bankruptcy Procedure 2004;

3.2.8 cause the Trust to employ or retain professionals, a Distribution Agent, and other agents, independent contractors and third parties pursuant to this Agreement and pay the reasonable compensation thereof;

3.2.9 cause the Trust to pay all of its lawful expenses, debts, charges, taxes and other liabilities, and make all other payments relating to the Trust Assets, solely out of Plan Trust Assets;

3.2.10 cause the Trust to review, reconcile, prosecute, enforce, collect, compromise, settle, abandon or elect not to pursue all Retained Causes of Action, including, but not limited to, all Avoidance Actions;

3.2.11 calculate, authorize and make all distributions to the holders of Allowed Claims as provided for in, or contemplated by, the Plan and this Agreement;

3.2.12 establish, adjust, and maintain a reserve for Disputed Claims ("Disputed Claims Reserve");

3.2.13 cause the Trust to withhold from the amount distributable to any Person the maximum amount needed to pay any tax or other charge that the Trustee has determined, based upon the advice of its agents and/or professionals, may be required to be withheld from

such distribution under the income tax or other laws of the United States or of any state or political subdivision thereof;

3.2.14 in reliance upon the Debtors' Schedules and the official Claims register maintained in the Chapter 11 Cases, review, and where appropriate, cause the Trust to allow or object to Claims, and, supervise and administer the Trust's commencement, prosecution, settlement, compromise, withdrawal or resolution of all objections to Disputed Claims required to be administered by the Trust;

3.2.15 in reliance upon the Debtors' Schedules and the official Claims register maintained in the Chapter 11 Cases, maintain a register evidencing the Beneficial Trust Interest herein held by each Beneficiary and, in accordance with section 3.8 of this Agreement, such register may be the official Claims register maintained in the Chapter 11 Cases;

3.2.16 cause the Trust to make all tax withholdings, file tax information returns, file and prosecute tax refund claims, make tax elections by and on behalf of the Trust, and file tax returns for the Trust as a grantor trust under IRC section 671 and Treasury Income Tax Regulation section 1.671-4 pursuant to and in accordance with the Plan and Article VII hereof, and pay taxes, if any, payable for and on behalf of the Trust, and to file any and all remaining tax returns for the Debtors and the Estates, as applicable; provided, however, that notwithstanding any other provision of this Agreement, neither the Trust nor the Trustee shall have any responsibility or personal liability in any capacity whatsoever for the signing or accuracy of the Debtors' income tax returns that are due to be filed after the Effective Date or for any tax liability related thereto;

3.2.17 cause the Trust to abandon or donate to a charitable organization any Trust Assets that the Trustee determines to be too impractical to distribute to Beneficiaries or of inconsequential value to the Trust and Beneficiaries;

3.2.18 cause the Trust to send annually to Beneficiaries, in accordance with the tax laws, a separate statement stating a Beneficiary's interest in the Trust and its share of the Trust's income, gain, loss, deduction or credit, and to instruct all such Beneficiaries to report such items on their federal tax returns;

3.2.19 cause the Trust to seek a determination of tax liability or refund under section 505 of the Bankruptcy Code;

3.2.20 cause the Trust to establish such reserves for taxes, assessments and other expenses of administration of the Trust as may be necessary and appropriate for the proper operation of matters incident to the Trust;

3.2.21 cause the Trust to purchase and carry all insurance policies that the Trustee deems reasonably necessary or advisable and to pay all associated insurance premiums and costs;

3.2.22 undertake to wind down the Debtors' employee benefit plans, cause the issuance of W-2s and 1099s on behalf of the Debtors and the filing of final tax returns for the Debtors, and effect the dissolution of each of the Debtor entities;

3.2.23 undertake all administrative functions of the Trust, including overseeing the winding down and termination of the Trust;

3.2.24 undertake all administrative functions remaining in the Chapter 11 Cases, reporting and making required payments of fees to the U.S. Trustee and overseeing the closing of the Chapter 11 Cases;

3.2.25 exercise, implement, enforce, and discharge all of the terms, conditions, powers, duties, and other provisions of the Plan, the Confirmation Order, and this Agreement; and

3.2.26 take all other actions consistent with the provisions of the Plan that the Trustee deems reasonably necessary or desirable to administer the Trust.

3.3 Exclusive Authority to Pursue Retained Causes of Action. The Trust shall have the exclusive right, power, and interest to review, reconcile, enforce, collect, compromise, settle, or elect not to pursue the Retained Causes of Action. The Trust, acting by and through the Trustee, shall be the sole representative of the Estates under section 1123(b)(3) of the Bankruptcy Code with respect to the Retained Causes of Action. The Trust shall be vested with, and the Trust and Trustee shall be entitled to assert, all setoffs, and defenses of the Debtors or the Trust to any counterclaims that may be asserted by any defendant with respect to any Retained Causes of Action. The Trust shall also be vested with, and the Trust and Trustee shall be entitled to assert, all of the Debtors' and the Estates' rights with respect to any such counterclaims under section 558 of the Bankruptcy Code.

3.4 Abandonment. If, in the Trustee's reasonable judgment, any Trust Assets cannot be sold in a commercially reasonable manner or the Trustee believes in good faith that such property has inconsequential value to the Trust or its Beneficiaries, the Trustee shall have the right to cause the Trust to abandon or otherwise dispose of such property, including by donation of such property to a charitable organization.

3.5 Responsibility for Administration of Claims. From and after the Effective Date, the Trust shall become responsible for administering and paying distributions to the holders of Allowed Claims. The Trust, acting by and through the Trustee, shall have the exclusive right to

object to the allowance of any Claim on any ground, to file, withdraw or litigate to judgment objections to Claims, to settle or compromise any Disputed Claims without any further notice to or action, order or approval by the Bankruptcy Court, and to assert all defenses of the Debtors and their Estates. The Trust, acting by and through the Trustee, shall also be entitled to assert all of the Debtors' and the Estates rights under, without limitation, section 558 of the Bankruptcy Code, and may seek estimation of any Claims under and subject to section 502(c) of the Bankruptcy Code.

3.6 Agents and Professionals. The Trustee may, but shall not be required to, consult with and retain attorneys, financial advisors, accountants, appraisers, and other professionals the Trustee believes have qualifications necessary to assist in the administration of the Trust, including professionals previously retained by the Debtors or the Creditors' Committee. For the avoidance of doubt, and without limitation of applicable law, nothing in this Agreement shall limit the Trustee from engaging counsel or other professionals, including the Trustee itself or the Trustee's firm or their affiliates, to do work for the Trust. The Trustee may pay the reasonable salaries, fees and expenses of such Persons out of the Trust Assets in the ordinary course of business.

3.7 Safekeeping and Investment of Trust Assets. All moneys and other assets received by the Trustee shall, until distributed or paid over as provided herein and in the Plan, be held in trust for the benefit of the Beneficiaries, but need not be segregated in separate accounts from other Trust Assets, unless and to the extent required by law or the Plan. Neither the Trust nor the Trustee shall have any liability for interest or producing income on any moneys received by them and held for distribution on account of Allowed Claims or payment to the Beneficiaries except as such interest shall actually be received by the Trust or Trustee, which shall be

distributed as provided in the Plan. Except as otherwise provided by the Plan, the powers of the Trustee to invest any moneys held by the Trust, other than those powers reasonably necessary to maintain the value of the assets and to further the Trust's liquidating purpose, shall be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary liquid investments, such as treasury bills; provided, however, that the scope of permissible investments shall be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 3.01.7701-4(d), may be permitted to hold pursuant to the Treasury Regulations, or any modification of the IRS guidelines, whether set forth in IRS rulings, IRS pronouncements, or otherwise. For the avoidance of doubt, the provisions of section 11-2.3 of the Estates, Powers, and Trusts Law of New York shall not apply to this Agreement. Notwithstanding the foregoing, the Trustee shall not be prohibited from engaging in any trade or business on its own account, provided that such activity does not interfere or conflict with the Trustee's administration of the Trust.

3.8 Maintenance and Disposition of Trust and Debtor Records. The Trustee shall maintain accurate records of the administration of Trust Assets, including receipts and disbursements and other activity of the Trust. The Trust may, but has no obligation to, engage a claims agent (including, but not limited to, the Notice and Claims Agent) to continue to maintain and update the Claims register maintained in the Chapter 11 Cases throughout the administration of the Trust. To the extent of any General Unsecured Claims reflected thereon, the Claims register may serve as the Trustee's register of Beneficial Trust Interests held by Beneficiaries. The books and records maintained by the Trustee and any records of the Debtors transferred to the Trust may be disposed of by the Trustee at the later of (i) such time as the Trustee determines that the continued possession or maintenance of such books and records is no longer necessary

for the benefit of the Trust or its Beneficiaries and (ii) upon the termination and completion of the winding down or dissolution of the Trust.

3.9 Reporting Requirements. The Trustee shall provide the U.S. Trustee and the Bankruptcy Court the information and reports they may reasonably request concerning Trust administration.

3.10 No Bond Required; Procurement of Insurance. Notwithstanding any state or other applicable law to the contrary, the Trustee (including any successor Trustee) shall be exempt from giving any bond or other security in any jurisdiction and shall serve hereunder without bond. The Trustee is hereby authorized, but not required, to obtain all reasonable insurance coverage for itself, its agents, representatives, employees or independent contractors, including, without limitation, coverage with respect to the liabilities, duties and obligations of the Trustee and its agents, representatives, employees or independent contractors under this Agreement. The cost of any such insurance coverage shall be an expense of the Trust and paid out of Trust Assets.

ARTICLE IV

DISTRIBUTIONS

4.1 Distribution and Reserve of Trust Assets. Following the transfer of Trust Assets to the Trust, the Trustee shall make continuing efforts on behalf of the Trust to collect, liquidate, and distribute all Trust Assets, subject to the reserves required under the Plan or this Agreement.

4.1.1 Distributions. The Trustee shall cause the Trust to make distributions, at least annually, to the holders of Allowed Claims, except the Trust may retain an amount of net income and other Trust Assets reasonably necessary to maintain the value of the Trust Assets or to meet expenses, claims and contingent liabilities of the Trust and Trustee, and retention of such amount may preclude distributions to holders of Allowed Claims.

4.1.2 Reserves; Pooling of Reserved Funds. Before any distribution can be made, the Trustee shall, in its reasonable discretion, establish, supplement, and maintain the Liquidation Trust Expense Reserve in an amount sufficient to meet any and all expenses and liabilities of the Trust, including attorneys' fees and expenses, the fees and expenses of other professionals, and fees owed the U.S. Trustee. The Trustee shall also maintain sufficient funds (a) in the Liquidation Trust Claims Reserve until all Allowed Administrative Claims, Priority Tax Claims, Secured Tax Claims, Other Secured Claims and Other Priority Claims have been paid in full; and (b) in the Prepetition Credit Parties Reserve until all Prepetition Credit Parties Claims have been paid in full. In accordance with section 3.2.12 of this Agreement, the Trust may also maintain as necessary a Disputed Claims Reserve with respect to General Unsecured Claims required to be administered by the Trust. For the avoidance of doubt, the Trustee may withhold any distribution pending the Trust's determination of whether to object to any General Unsecured Claim. Any such withheld distribution shall become part of the Disputed Claims Reserve and shall be distributed to the appropriate holder of an Allowed General Unsecured Claim no later than the first Distribution Date after a decision is made not to object to the pertinent Claim or the Claim becomes Allowed. The Trustee need not maintain any of the Trust's reserves in segregated bank accounts and may pool funds in the reserves with each other and other funds of the Trust; provided, however, that the Trust shall treat all such reserved funds as being held in a segregated manner in its books and records.

4.1.3 Distributions Net of Reserves and Costs. Distributions shall be made net of reserves in accordance with the Plan and this Agreement, and also net of the actual and reasonable costs of making the distributions.

4.1.4 Right to Rely on Professionals. Without limitation of the generality of section 6.6 of this Agreement, in determining the amount of any distribution or reserves, the Trustee may rely and shall be fully protected in relying on the advice and opinion of the Trust's financial advisors, accountants, or other professionals.

4.2 Method and Timing of Distributions. Distributions to holders of Allowed Claims will be made from the Trust in accordance with the terms of the Plan (in particular, Article V) and this Agreement. The Trust may engage disbursing agents and other Persons to assist in making Distributions.

4.3 Withholding from Distributions. The Trustee, in its discretion, may cause the Trust to withhold from amounts distributable from the Trust to any holder of an Allowed Claim any and all amounts as may be sufficient to pay the maximum amount of any tax or other charge that has been or might be assessed or imposed by any law, regulation, rule, ruling, directive, or other governmental requirement on such Claimholder or the Trust with respect to the amount to be distributed to such Claimholder. The Trustee shall determine such maximum amount to be withheld by the Trust in its sole, reasonable discretion and shall cause the Trust to distribute to the Claimholder any excess amount withheld.

4.4 IRS Forms. As more fully set forth in Article V of the Plan, the Trustee may require any holder of a Claim to complete the appropriate IRS Form W-8 or IRS Form W-9 as a prerequisite to receiving any distribution under the Plan or this Agreement. If a holder of a Claim does not provide to the Trustee within forty-five (45) days of written request with all documentation, that in the Trustee's reasonable business judgment, is necessary to determine that all tax withholding and reporting requirement for such Allowed Claim, including a IRS Form W-8 or IRS Form W-9, the distribution on such Allowed Claim shall be deemed disallowed and

expunged in its entirety and the funds shall become Trust Assets and redistributed to the other holders of Allowed Claims in accordance with the terms of this Plan.

4.5 Unclaimed and Undeliverable Distributions. Unclaimed Property, together with any distributions to holders of Allowed Claims returned as undeliverable, such shall be held by the Trustee in the Unclaimed Property Reserve for a period of sixty (60) days and may be released by the Trustee prior to the expiration of the sixty (60) days if presentation of proper proof by such holder of its entitlement thereto is presented to the Trustee. After the expiration of the sixty (60) days, the respective holders of Allowed Claims otherwise entitled to such Unclaimed Property shall cease to be entitled thereto and shall be entitled to no further distributions under the Plan, and (a) such Allowed Claims shall be deemed disallowed and expunged in their entirety; (b) the funds in respect of such Unclaimed Property shall become Trust Assets and shall revert to the Trust for all purposes including, but not limited to, for distribution to other holders of Allowed Claims in accordance with the terms of this Plan, Confirmation Order and this Agreement, automatically and without any need for further order of the Bankruptcy Court; and (c) the corresponding Beneficial Trust Interest of any Beneficiary holding a disallowed Claim shall be deemed cancelled. Any such funds that revert to the Trust hereunder shall not be subject to the escheat, abandonment or unclaimed property laws of any federal, state, provincial or local government authority.

4.5.1 No Responsibility to Attempt to Locate Beneficiaries. If a distribution is returned to the Trust as undeliverable, or otherwise remains unclaimed, no further distribution shall be made to such claimholder unless and until the claimholder notifies the Trustee of such claimholder's then-current address and taxpayer identification number. The Trustee may, in its

sole discretion, attempt to determine a Claimholder's current address or otherwise locate a Claimholder, but nothing in this Agreement or the Plan shall require the Trustee to do so.

4.5.2 Inapplicability of Escheat, Abandoned or Unclaimed Property Laws.

Unclaimed Property held by the Trust shall not be subject to the escheat, abandoned or unclaimed property laws of the United States, or any state, provincial or local governmental unit.

4.6 Request for Reissuance. Distribution checks shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Distribution checks not cashed within such ninety-day period shall be treated as Unclaimed Property that has been held in the Unclaimed Property Reserve for the requisite time period specified in the Plan.² Requests for reissuance of any check shall be made in writing directly to the Trustee by the holder of the Claim that was originally issued such check. All such requests shall be made promptly and in time for the check to be reissued and cashed before the funds for the checks become unrestricted Trust Assets under section 4.5 of this Agreement. The Claimholder shall bear all the risk that, and shall indemnify and hold the Trust and Trustee harmless against any loss that may arise if, the Trustee does not reissue a check promptly after receiving a request for its reissuance.

4.7 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to the Beneficial Trust Interest of a Beneficiary, or if there is any disagreement between the assignees, transferees, heirs, representatives or legatees succeeding to all or a part of such an interest resulting in adverse claims or demands being made in connection with such interest, then, in any of such events, the Trustee shall be entitled, in its sole discretion, to refuse to comply with any such conflicting claims or demands.

² NTD: There is no provision in the Plan concerning uncashed checks.

4.7.1 The Trustee may elect to cause the Trust to make no payment or distribution with respect to the Beneficial Trust Interest subject to the conflicting claims or demand, or any part thereof, and to refer such conflicting claims or demands to the Bankruptcy Court, which shall have continuing jurisdiction over resolution of such conflicting claims or demands. Neither the Trust nor the Trustee shall be or become liable to any of such parties for their refusal to comply with any such conflicting claims or demands, nor shall the Trust or Trustee be liable for interest on any funds which may be so withheld.

4.7.2 The Trustee shall be entitled to refuse to act until either (i) the rights of the adverse claimants have been adjudicated by a Final Order of the Bankruptcy Court or any other court of competent jurisdiction adjudicating the matter; or (ii) all differences have been resolved by a valid written agreement among all such parties to the satisfaction of the Trustee, which agreement shall include a complete release of the Trust and Trustee. Until the Trustee receives written notice that one of the conditions of the preceding sentence is met, the Trustee may deem and treat as the absolute owner under this Agreement of the Beneficial Trust Interest in the Trust the Beneficiary identified as the owner of that interest in the books and records maintained by the Trustee. The Trustee may deem and treat such Beneficiary as the absolute owner for purposes of receiving distributions and any payments on account thereof for federal and state income tax purposes, and for all other purposes whatsoever.

4.7.3 In acting or refraining from acting under and in accordance with this section 4.7 of the Agreement, the Trustee shall be fully protected and incur no liability to any purported claimant or any other Person pursuant to Article VI of this Agreement.

4.8 Priority of Expenses of Trust. The Trust must pay all of its expenses before making distributions.

ARTICLE V

BENEFICIARIES

5.1 Interest Beneficial Only. The ownership of a Beneficial Trust Interest shall not entitle any Beneficiary or the Debtors to any title in or to the Trust Assets or to any right to call for a partition or division of such assets or to require an accounting.

5.2 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a Beneficial Trust Interest herein which shall, subject to section 4.1 of this Agreement and subject to the Plan, be entitled to a distribution in the amounts, and at the times, set forth in the Plan.

5.3 Evidence of Beneficial Interest. Ownership of a Beneficial Trust Interest in the Trust Assets shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee.

5.4 No Right to Accounting. Neither the Beneficiaries nor their successors, assigns, creditors, nor any other Person shall have any right to an accounting by the Trustee, and the Trustee shall not be obligated to provide any accounting to any Person. Nothing in this Agreement is intended to require the Trustee at any time or for any purpose to file any accounting or seek approval of any court with respect to the administration of the Trust or as a condition for making any advance, payment, or distribution out of proceeds of Trust Assets.

5.5 No Standing. Except as expressly provided in this Agreement, a Beneficiary shall not have standing to direct or to seek to direct the Trust or Trustee to do or not to do any act or to institute any action or proceeding at law or in equity against any Person upon or with respect to the Trust Assets.

5.6 Requirement of Undertaking. The Trustee may request the Bankruptcy Court to require, in any suit for the enforcement of any right or remedy under this Agreement, or in any

suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, including reasonable attorneys' fees, against any party litigant in such suit; provided, however, that the provisions of this section 5.6 shall not apply to any suit by the Trustee.

5.7 Limitation on Transferability. It is understood and agreed that the Beneficial Trust Interests shall be non-transferable and non-assignable during the term of this Agreement except by operation of law. An assignment by operation of law shall not be effective until appropriate notification and proof thereof is submitted to the Trustee, and the Trustee may continue to cause the Trust to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of assignment by operation of law. The Trustee may rely upon such proof without the requirement of any further investigation.

5.8 Exemption from Registration. The rights of the Beneficiaries arising under this Agreement may be deemed "securities" under applicable law. However, such rights have not been defined as "securities" under the Plan because (i) the parties hereto intend that such rights shall not be securities and (ii) if the rights arising under this Agreement in favor of the Beneficiaries are deemed to be "securities," the exemption from registration under section 1145 of the Bankruptcy Code is intended to be applicable to such securities. No party to this Agreement shall make a contrary or different contention.

5.9 Delivery of Distributions. Subject to the terms of this Agreement, the Trustee shall cause the Trust to make distributions to Beneficiaries in the manner provided in the Plan.

ARTICLE VI

THIRD PARTY RIGHTS AND LIMITATION OF LIABILITY

6.1 Parties Dealing With the Trustee. In the absence of actual knowledge to the contrary, any Person dealing with the Trust or the Trustee shall be entitled to rely on the

authority of the Trustee or any of the Trustee's agents to act in connection with the Trust Assets.

There is no obligation of any Person dealing with the Trustee to inquire into the validity or expediency or propriety of any transaction by the Trustee or any agent of the Trustee.

6.2 Limitation of Trustee Liability. In exercising the rights granted herein, the Trustee shall exercise the Trustee's best judgment, to the end that the affairs of the Trust shall be properly managed and the interests of all of the Beneficiaries safeguarded. However, notwithstanding anything herein to the contrary, neither the Trustee nor any of its respective firms, companies, affiliates, partners, officers, directors, members, employees, designees, professionals, advisors, attorneys, representatives, Distribution Agent or other disbursing agents, or agents, and any of such Person's successors and assigns, shall incur any responsibility or liability by reason of any error of law or fact or of any matter or thing done or suffered or omitted to be done under or in connection with this Agreement, whether sounding in tort, contract, or otherwise, except for fraud, gross negligence, or willful misconduct that is found by a final judgment of a court of competent jurisdiction (not subject to further appeal or review) to be the direct and primary cause of loss, liability, damage, or expense suffered by the Trust. In no event shall the Trustee be liable for indirect, punitive, special, incidental or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Trustee has been informed of the likelihood of such loss or damages and regardless of the form of action. Without limiting the foregoing, the Trustee shall be entitled to the benefits of the limitation of liability and exculpation provisions set forth in the Plan, including, but not limited to sections IV.C.8 and VIII.C. of the Plan, and the Trustee shall be entitled to the benefits of the limitation of liability and exculpation provisions set forth in the Confirmation Order.

6.3 No Liability for Acts of Other Persons. None of the Persons identified in the immediately preceding section 6.2 of this Agreement shall be liable for the act or omission of any other Person identified in that section.

6.4 No Liability for Acts of Predecessors. No successor Trustee shall be in any way responsible for the acts or omissions of any Trustee in office prior to the date on which such successor becomes the Trustee, unless a successor Trustee expressly assumes such responsibility.

6.5 No Liability for Good Faith Error of Judgment. The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be finally determined by a final judgment of a court of competent jurisdiction (not subject to further appeal or review) that the Trustee was grossly negligent in ascertaining the pertinent facts.

6.6 Reliance by Trustee on Documents and Advice of Counsel or Other Persons. Except as otherwise provided herein, the Trustee may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties. The Trustee also may engage and consult with its respective legal counsel and other agents and advisors, and shall not be liable for any action taken, omitted, or suffered in reliance upon the advice of such counsel, agents, or advisors.

6.7 No Liability For Acts Approved by Bankruptcy Court. The Trustee shall have the right at any time to seek instructions from the Bankruptcy Court concerning the administration or disposition of the Trust and the Claims required to be administered by the Trust. The Trustee shall not be liable for any act or omission that has been approved by the Bankruptcy Court, and all such actions or omissions shall conclusively be deemed not to constitute fraud, gross negligence, or willful misconduct.

6.8 No Personal Obligation for Trust Liabilities. Persons dealing with the Trustee shall have recourse only to the Trust Assets to satisfy any liability incurred by the Trustee to any such Person in carrying out the terms of this Agreement, and the Trustee shall have no personal, individual obligation to satisfy any such liability.

6.9 Indemnification. The Trustee and each of its respective accountants, agents, assigns, attorneys, bankers, consultants, directors, employees, executors, financial advisors, investment bankers, real estate brokers, transfer agents, independent contractors, managers, members, officers, partners, predecessors, principals, professional persons, representatives, affiliate, employer and successors (each, an “Indemnified Party”) shall be indemnified for, and defended and held harmless against, by the Trust and solely from the Trust Assets, any loss, liability, damage, judgment, fine, penalty, claim, demand, settlement, cost, or expense (including the reasonable fees and expenses of their respective professionals) actually incurred without gross negligence, willful misconduct, or fraud on the part of the applicable Indemnified Party (which gross negligence, willful misconduct, or fraud, if any, must be determined by a Final Order of a court of competent jurisdiction) for any action taken, suffered, or omitted to be taken by the Indemnified Parties in connection with the acceptance, administration, exercise, and performance of their duties under the Plan or this Agreement, as applicable if the applicable Indemnified Party acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interest of the Trust or its Beneficiaries. An act or omission taken with the approval of the Bankruptcy Court, and not inconsistent therewith, will be conclusively deemed not to constitute gross negligence, willful misconduct, or fraud. The amounts necessary for the indemnification provided in this section (including, but not limited to, any costs and expenses incurred in enforcing the right of indemnification in this section) shall be paid by the Trustee out

of the Trust Assets. The Trustee shall not be personally liable for the payment of any Trust expense or claim or other liability of the Trust, and no Person shall look to the Liquidation Trustee personally for the payment of any such expense or liability. The indemnification provided in this section shall survive the death, dissolution, incapacity, resignation or removal of the Trustee, Indemnified Party or the termination of the Trust, and shall inure to the benefit of each Indemnified Party's heirs and assigns.

6.9.1 Expense of Trust; Limitation on Source of Payment of Indemnification.

All indemnification liabilities of the Trust under this section 6.9 shall be expenses of the Trust. The amounts necessary for such indemnification and reimbursement shall be paid by the Trust out of the available Trust Assets after reserving for all actual and anticipated expenses and liabilities of the Trust. The Trustee shall not be personally liable for the payment of any Trust expense or claim or other liability of the Trust, and no Person shall look to the Trustee or other Indemnified Parties personally for the payment of any such expense or liability.

6.9.2 Procedure for Current Payment of Indemnified Expenses; Undertaking to Repay. The Trust shall reasonably promptly pay an Indemnified Party all amounts subject to indemnification under this section 6.9 on submission of invoices for such amounts by the Indemnified Party. By accepting any indemnification payment, the Indemnified Party undertakes to repay such amount promptly if it is determined that the Indemnified Party is not entitled to be indemnified under this Agreement. The Bankruptcy Court shall hear and finally determine any dispute arising out of this section 6.9.

6.10 No Implied Obligations. The Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants or obligations shall be read into this Agreement against the Trustee.

6.11 Confirmation of Survival of Provisions. Without limitation in any way of any provision of this Agreement, the provisions of this Article VI shall survive the death, dissolution, liquidation, incapacity, resignation, replacement, or removal, as may be applicable, of the Trustee, or the termination of the Trust or this Agreement, and shall inure to the benefit of the Trustee's and the Indemnified Parties' heirs and assigns.

ARTICLE VII

TAX MATTERS

7.1 Tax Treatment of Trust. Pursuant to and in accordance with the Plan, for all federal income tax purposes, the Debtors, the Beneficiaries, the Trustee and the Trust shall treat the Trust as a liquidating trust within the meaning of Treasury Income Tax Regulation Section 301.7701-4(d) and IRS Revenue Procedure 94-45, 1994-2 C.B. 124 and transfer of the Trust Assets to the Trust shall be treated as a transfer of the Trust Assets by the Debtors to the Beneficiaries in satisfaction of their Allowed General Unsecured Claims, followed by a transfer of the Trust Assets by the Beneficiaries to the Trust in exchange for their pro rata Beneficial Trust Interest. The Beneficiaries shall be treated as the grantors and owners of the Trust for federal income tax purposes.

7.2 Annual Reporting and Filing Requirements. Pursuant to and in accordance with the terms of the Plan and this Agreement, the Trustee shall file tax returns for the Trust as a grantor trust pursuant to Treasury Income Tax Regulation Section 1.671-4(a).

7.3 Tax Treatment of Reserves for Disputed Claims. The Trustee may, in the Trustee's sole discretion, determine the best way to report for tax purposes with respect to any Disputed Claims Reserve, including (i) filing a tax election to treat any and all Disputed Claims Reserves as a Disputed Ownership Fund ("DOF") within the meaning of Treasury Income Tax Regulation Section 1.468B-9 for federal income tax purposes rather than to tax such reserve as a

part of the Trust; or (ii) electing to report as a separate trust or sub-trust or other entity. If an election is made to report any Disputed Claims Reserve as a DOF, the Trust shall comply with all federal and state tax reporting and tax compliance requirements of the DOF, including but not limited to the filing of a separate federal tax return for the DOF and the payment of federal and/or state income tax due.

7.4 Valuation of Trust Assets. After the Effective Date, but in no event later than the due date for timely filing of the Trust's first federal income tax return (taking into account applicable tax filing extensions), the Trustee shall determine the fair market value of the Trust Assets as of the Effective Date, based on the Trustee's good faith determination and establish appropriate means to apprise the Beneficiaries of such valuation. The valuation shall be used consistently by all parties (including, without limitation, the Debtors, the Trust, the Trustee, and the Beneficiaries) for all federal income tax purposes.

ARTICLE VIII

SELECTION, REMOVAL, REPLACEMENT AND COMPENSATION OF TRUSTEE

8.1 Initial Trustee. The Trustee has been selected by the Creditors' Committee and is appointed effective as of the Effective Date. The initial trustee shall be the Trustee.

8.2 Term of Service. The Trustee shall serve until (a) the completion of the administration of the Trust Assets and the Trust, including the winding up of the Trust, in accordance with this Agreement and the Plan; (b) termination and dissolution of the Trust in accordance with the terms of this Agreement and the Plan; or (c) the Trustee's resignation, death, dissolution, incapacity, liquidation or removal. In the event that the Trustee's appointment terminates by reason of resignation, death, dissolution, incapacity, liquidation or removal, the Trustee shall be immediately compensated for all reasonable fees and expenses accrued but

unpaid through the effective date of termination, whether or not previously invoiced. The provisions of Article VI of this Agreement shall survive the resignation or removal of any Trustee.

8.3 Removal of Trustee. Any party in interest, on notice and hearing before the Bankruptcy Court, may seek removal of the Trustee for cause. The Bankruptcy Court shall hear and finally determine any dispute arising out of this section.

8.4 Resignation of Trustee. The Trustee may resign at any time on written notice to the U.S. Trustee and Bankruptcy Court. The resignation shall be effective on the later of (a) the date specified in the notice of resignation and (b) the date that is thirty days (30) after the date such notice is filed with the Bankruptcy Court and served on the United States Trustee. In the event of a resignation, the resigning Trustee shall render to the U.S. Trustee a full and complete accounting of monies and assets received, disbursed, and held during the term of office of that Trustee.

8.5 Appointment of Successor Trustee. Upon the resignation, death, dissolution, incapacity, liquidation or removal of a Trustee, any party in interest (including, in the case of resignation, the Trustee) may file a motion in the Bankruptcy Court to appoint a successor trustee. In the event no party in interest seeks the appointment of a successor Trustee, the Bankruptcy Court may do so on its own motion. Any successor Trustee so appointed (a) shall consent to and accept his, her or its appointment as successor Trustee, which may be done by e-mail or through acquiescence in not objecting to a motion for approval of his, her or its appointment as successor Trustee and (b) shall not have any liability or responsibility for the acts or omissions of any predecessor(s). Any successor Trustee may be appointed to serve only on an interim basis.

8.6 Powers and Duties of Successor Trustee. A successor Trustee shall have all the rights, privileges, powers, and duties of his, her or its predecessor under this Agreement, the Plan, and Confirmation Order.

8.7 Trust Continuance. The resignation, death, dissolution, incapacity, liquidation or removal of the Trustee shall not terminate the Trust or revoke any existing agency created pursuant to this Agreement or invalidate any action theretofore taken by the Trustee.

8.8 Compensation of Trustee and Costs of Administration. The Trustee shall receive fair and reasonable compensation for its services in accordance with the terms and conditions of the Plan, which shall be a charge against and paid out of the Trust Assets. All costs, expenses, and obligations incurred by the Trustee (or professionals who may be employed by the Trustee in administering the Trust, in carrying out their other responsibilities under this Agreement, or in any manner connected, incidental, or related thereto) shall be paid by the Trust from the Trust Assets prior to any distribution to holders of Allowed Claims. The terms of the compensation of the Trustee are set forth on Exhibit A hereto.

8.9 Appointment of Supplemental Trustee. If the Trustee has a conflict or any of the Trust Assets are situated in any state or other jurisdiction in which the Trustee is not qualified to act as trustee, the Trustee shall nominate and appoint a Person duly qualified to act as trustee (the “Supplemental Trustee”) with respect to such conflict, or in such state or jurisdiction, and require from each such Supplemental Trustee such security as may be designated by the Trustee in its discretion. In the event the Trustee is unwilling or unable to appoint a disinterested Person to act as Supplemental Trustee to handle any such matter, the Bankruptcy Court, on notice and hearing, may do so. The Trustee or the Bankruptcy Court, as applicable, may confer upon such Supplemental Trustee any or all of the rights, powers, privileges and duties of the Trustee

hereunder, subject to the conditions and limitations of this Agreement, except as modified or limited by the laws of the applicable state or other jurisdiction (in which case, the laws of the state or other jurisdiction in which such Supplemental Trustee is acting shall prevail to the extent necessary). To the extent the Supplemental Trustee is appointed by the Trustee, the Trustee shall require such Supplemental Trustee to be answerable to the Trustee for all monies, assets and other property that may be received in connection with the administration of all property. The Trustee or the Bankruptcy Court, as applicable, may remove such Supplemental Trustee, with or without cause, and appoint a successor Supplemental Trustee at any time by executing a written instrument declaring such Supplemental Trustee removed from office and specifying the effective date and time of removal.

ARTICLE IX

DURATION OF TRUST

9.1 Duration. Once the Trust becomes effective upon the Effective Date of the Plan, the Trust and this Agreement shall remain and continue in full force and effect until the Trust is terminated.

9.2 Termination on Payment of Trust Expenses and Distribution of Trust Assets.
Upon the payment of all costs, expenses, and obligations incurred in connection with administering the Trust, and the distribution of all Trust Assets in accordance with the provisions of the Plan, the Confirmation Order, and this Agreement, the Trust shall terminate and dissolve and the Trustee shall have no further responsibility in connection therewith except as may be required to effectuate such termination under relevant law.

9.3 Termination after Five Years. If the Trust has not been previously terminated and dissolved pursuant to section 9.2 hereof, no later than five (5) years from the Effective Date, unless the Trust term has been extended in accordance with section IV.D of the Plan, the Trustee

shall distribute all of the Trust Assets to the Beneficiaries in accordance with the Plan, and immediately thereafter the Trust shall dissolve and terminate and the Trustee shall have no further responsibility in connection therewith except to the limited extent set forth in section 9.5 of this Agreement.

9.4 No Termination by Beneficiaries. The Trust may not be terminated and dissolved at any time by the Beneficiaries.

9.5 Continuance of Trust for Winding Up; Discharge and Release of Trustee. After the termination of the Trust and solely for the purpose of liquidating and winding up the affairs of the Trust, the Trustee shall continue to act as such until its responsibilities have been fully performed. Except as otherwise specifically provided herein, upon the distribution of the Trust Assets including all excess reserves, the Trustee and the Trust's professionals and agents shall be deemed discharged and have no further duties or obligations hereunder. Upon a motion by the Trustee, the Bankruptcy Court may enter an order relieving the Trustee, its employees, professionals, and agents of any further duties, discharging and releasing the Trustee, its employees, professionals, and agents from all liability related to the Trust, and releasing the Trustee's bond, if any.
